## President's Update...

It's been an amazing summer of events and activities for LoveAir RC. Huckfest, Warbirds, and now, this weekend – The Celebration of Flight! The board has been busy with setting plans for next summer's schedule so that we can get it all locked and loaded into the calendar. We also have a great line-up of guest presenters for the fall, including Van giving a workshop on how to cover wingtips on Wednesday, September 13.

Jim Goins has been doing a terrific job with the Old Farts Flying Club that meets every Tuesday out at Drake Field. He started with an idea of what he wanted LoveAir to become, to start a group that met regularly to fly and socialize out at the field. In four or five short months, he took that basic idea and turned it into one of our strongest communities – regularly getting between twelve and fifteen pilots out to the field on Tuesday. Way to go, Jim – thanks so much for your leadership in making this happen!

During the fall, I'm hoping we can get a couple of members, or new recruits to step up and help us put together a new electric field on the west side of the parking lot. It would be great if we could figure out how to attract some of the drone pilots to our club, too. If anyone is willing to help us with these kind of opportunities to grow the club, please let me know, I'm all ears.

Personally, I'm looking forward to a great building season – I've just finished building out my new workshop in the basement and am all ready to start my next project – a BalsaUSA ¼ scale SPAD 13.

Happy Flying!

Paul Mantey  
President, LoveAir RC

## Club Membership

**LARC is moving the membership due date to March 31st this year. The current billing cycle is only for 9 months. Next year will be a full year starting on March 31st.**

The Love-Air R/C Club is a club organized to enjoy and promote the sport of flying radio controlled models. The club is a chartered member of the Academy of Model Aeronautics (AMA), a national organization whose purpose is to promote the sport of model aviation.

Annual membership runs from July 1st and ends March 31st. AMA membership must be current throughout the duration of your membership in order to fly.

Annual Dues (July-1st 2017 to March-31st 2018): NEW Annual Due Date Starting April 1st 2018 and will return to annual cycle thereafter.

\$112.50 – Adult

\$131.25 – Family

\$18.75 – Junior (under 18)

Current membership is required to fly at the Love-Air flying site. The club requires that all members who use the club flying field be current members of the AMA. New members are always welcome! It is easy to join and/or pay your dues – just go to the club website and follow the membership link.
